

Early Years Notice Board

September/ October Issue 1

A message from the Early Years Team

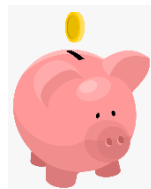

The Early Years Notice board is produced on a half termly basis containing information for all those in Early Years. It contains important dates and reminders so keep it handy! We welcome all our new starters in Reception and Nursery and are pleased to see some familiar faces as well. We are very pleased to say the children have all settled into new routines and are very happy.

This half term's topics:

Reception: Who am I? Children in Reception are talking about their families and who is important to them. They are also learning about the different parts of their bodies and their senses.

Nursery: Who am I? Children in nursery are talking about themselves, their like and dislikes and who is in their family. We will also be going to the wildlife garden to observe changes we find in Autumn.

Penny Pig

For those of you who are new to our Early Years we have a Penny Pig located in Nursery. There is a recommended voluntary donation of 50p a week but any donations are greatly appreciated. This money is spent on your children and can may be used for cooking activities, stay and plays and toys!

Nursery:

The Family Book by Todd Parr
The Enormous Turnip
Our library day is **Friday** in Nursery.

Polite Reminders

Please bring in a coat every day, remember the weather is changeable and we play outside whatever the weather. We also ask that **all clothes** are named. This is especially important in Reception where they are changing for PE. It would be really helpful if you could allow your Reception children to practice getting dressed independently at home.
