

Early Years Notice Board

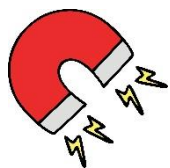

June/ July Issue 6

A message from the Early Years Team

The Early Years Noticeboard keeps you up to date with all of the things we are doing in Early Years and any upcoming events. Thank you so much for all your support this year! We have a very busy final half term with lots in store please refer back to the key dates below as we do not want you to miss anything!

This half term's topics:

Reception: What is it made of?

Reception are exploring materials and their properties. They will be doing lots of science looking at shadows, floating and sinking and magnetism.

Nursery: What can we discover?

Nursery have helped to decide what we learn this half term and would like to know more about wild animals and pirates. We are also learning about freezing and melting.

Polite Reminders

As the weather is getting warmer we ask that children come to school with a sun hat and a named bottle of sun cream they can apply themselves throughout the day. Please remember to bring a light jacket as the weather is always changeable and we play outside everyday whatever the weather.

Our wish list

If you are out and about on the beach this summer we would love some more shells for our loose parts area in nursery. We are also short of socks for spare clothing if you have any children's socks you can donate.

Dates for your diary!

Transition

Tuesday 1st July

Tuesday 8th July

To get all Early Years children ready for September they will be doing a couple of transition mornings ahead of the whole school transition on **Tuesday 15th July**. They will come to school as usual and move into their new class to meet their teacher during the morning session.

EYFS and KS1

Sports Day

Monday 14th July
